Learn German easily

100% fun - 100% language learning

Learning German is one of the most useful investments in the future of your child. Children learn quickly and easily, and in our camp they get the right environment for developing their language skills.

The camp is held right in the heart of the Alps as a day camp or 24/7 camp, and designed for kids aged 9 to 14.

The Learning Concept

Learn German through total immersion

Having children of a similar age and German skills in the same group is the first priority in our Camp.

In the morning during German classes, as well as in the afternoons while immersed in the activity programme, the kids will be coached by pedagogically trained native speakers. This allows them to be constantly in touch with the German language and acquire it in the most natural way, which is immersion. At the same time, the children realise that German is not only a possible subject offered in schools, but most importantly a means of communication with other people of all ages.

During class, the main focus is on structured learning and speaking, whereas the afternoons are filled with sports, games, excursions and other activities in and around Mutters. In German, of course.

Native Speaker

Having native speakers as teachers is fundamental for the children to learn the language in a natural manner and the way it is really spoken. Children learn from modeling adults and naturally acquire the language without even realising it.

A Typical Camp Day

We make sure the kids will love it.

- 08:00** Time to get up, get ready for the day and have breakfast.
- 09:00** Full Immersion German course: time to learn, speak and play.
- 10:15** A short break for a yummy snack and a bit of movement.
- 12:30** Having lunch together in the spacious dining room and then time to chill.
- 14:00** Sports and games outside, treasure hunt, handycraft, experiments, soccer, hiking, swimming and much more... in German, of course!
- 18:00** The day camp children will be picked up now, the others get ready for dinner.
- 18:15** Dinner, barbecue or picnic for a nice start to the evening.
- 19:00** Mobile phones & chilling! The kids get to whatsapp, make calls or play freely with their new friends.
- 20:00** Evening programme: karaoke, kids disco, movies and all that is fun.
- 21:45** Not tired yet and hyper from dancing? A short meditation will calm us down.
- 22:00** Time to go to bed - good night and sleep well, everyone!

The inlingua Method

Think German. Speak German.

In our camp, our core strengths are the communication based inlingua Method and the relaxed atmosphere, which are the perfect setting for children to start loving the language and absorb it as much as they can.

The method is supported by our dedicated team of trainers and staff, who create a favorable environment for successfully learning a language. The children are welcome to experiment with the language, learn through their mistakes and grow just like their German skills.
